

Kevin W. Fawcett

211 Fourth Street, P.O. Box 413
Rodney, ON N0L 2C0

Personal Statement of Qualifications

- Highly Skilled Professional Truck Driver for over 25+ years, in addition to holding Certification as a Certified Driver Trainer at Ryder Canada Inc.
- Skilled in an extensive list of industries such as: Food Chain (from farm to table), Petroleum & Propane, Automotive, Worldwide Convention (transport & setup), High Value Pharmaceutical Transport and even deliveries to 'Tesla' GIGA Factory Build in Nevada.
- Production Coordinator/Engineering Revision Coordinator at Menasco Aerospace (Oakville) – Mfg. Aircraft Landing Gear & Flight Controls for Boeing, Airbus and the U.S. Military.
- Extensive Customer Service experience as a Service Mgr. (Mississauga), Rental Coordinator & Service Advisor (Oakville).
- Real Estate Agent (Hamilton & Trenton/Belleville)
- Owner of, my own, Computer Business 'On-Line Solutions' (building PCs, networking and client training)
- Bank Teller at TD Canada Trust (Burlington)
- Assembly Worker for Ford Motor Company (Oakville)
- Bridge & Highway Construction Industry (Elastometal – Burlington) Mfg. bridge expansion joints & bearings, with my father, on almost every bridge & highway in Ontario and including special projects like the Calgary Saddledome and the re-build of the Florida Sunshine Skyway Bridge after being damaged by a ship.

My original desire was to become a Draftsman, completing one year of Civil Engineering (Mohawk College - Hamilton) and two years Mechanical Engineering Drafting Design (George Brown – Toronto).

I enjoy working with people and continue to learn from everyone I meet.

I am looking forward to your interest and questions at the upcoming council meeting.

Thank-you in advance for your consideration to fill the current council vacancy, for the position of Mayor of West Elgin.
