Candidate

Councillor Ward 3

Building a Vibrant and Prosperous West Elgin

I am grateful for the opportunity to apply to West Elgin Council. Our family is deeply rooted in the community, having lived here for three generations. Over the past six years, I have been actively involved in politics, focusing on initiatives to strengthen the rural economy and enhance social well-being. I am eager to contribute my passion to Council.

West Elgin blends the best of rural life with industrial, small business, tourism, and agricultural opportunities. My vision for West Elgin is to boost the tax base through collaboration with neighbouring regions and key stakeholders, positioning our area as the premier destination for living, working, and playing. Public engagement initiatives will showcase our unique features and benefits. We will achieve this through harnessing the strategic plan to elevate our commercial, residential, and agritourism sectors, focusing on sustainable growth with increased tax revenues.

During my Councillor term, we enhanced garbage collection, secured funding toward expanded fiber optic internet access, added childcare centers, infrastructure, and wastewater upgrades without overburdening taxpayers.

As a member of the Board of Directors of the Ontario Federation of Agriculture, I am honoured to advocate for the agriculture community engaging with provincial and federal leaders on legislation, policy regulations, and amendments, as well as collaborating with municipal leaders and stakeholders on initiatives. My expertise spans the Municipal and Planning Act, PPS 2024, budget management, economic growth, infrastructure management, and projects focusing on renewable energy.

I completed my post-secondary education in Business Administration. I pursued further training with Amberley Gavel, AMO, and the First Nations University of Canada, focusing on Councillor roles and responsibilities, cybersecurity, land use planning, and reconciliation education.

I am privileged to be involved with charitable organizations and to serve on their Boards of Directors. I have enjoyed contributing to the community through various organizations, including the Elgin Federation of Agriculture, the Optimist Club of West Lorne, and St. Mary's Catholic School Parent Council.

Thank you for your consideration, and I ask for your vote toward serving our community on West Elgin Council.
