Good afternoon,

We hope that you are all doing well. The purpose of this email is to provide an update regarding Education Development Charges for both the London District Catholic School Board and the Thames Valley District School Board.

The project team is continuing to work on the preparation of the background study. A draft of the report is expected to be available by early January 2025, with additional consultations with municipalities and industry partners planned later that month. Meeting invites to these hybrid sessions will be distributed in the coming weeks. The purpose of the next round of consultations will be to review and receive feedback regarding the draft background study before it is finalized for the statutory public meetings, which are tentatively planned for late February 2025.

Please continue to reach out to any member of the project team if you have any questions or require additional information at this time. For additional details, to contact the team, and to review past presentations and slide decks, please visit www.tvdsb.ca/EDC and [Education Development Charge – Parents & Community – London District Catholic School Board](#).

Thank you.
