## Personal Statement of Qualifications

Andrei Kovalevskii

225 Graham Rd, West Lorne, ON N0L 2P0

As an experienced medical graduate, I have had the opportunity to participate in public health reform initiatives outside of Canada as a key decision maker. Through my involvement in these initiatives, I gained invaluable experience in healthcare management and policymaking, which has allowed me to develop a unique perspective on the healthcare system. I immigrated to Canada 12 years ago as a Healthcare Manager under highly competitive Federal Skilled Employee program.

In addition to my medical background, I am also an experienced real estate developer and manager. I have successfully managed large-scale projects and have gained a reputation for being a detail-oriented and strategic thinker. My experience in real estate has allowed me to develop strong organizational and leadership skills that are applicable in any industry.

As an educator for the last 5 years, I have had the privilege of teaching and mentoring students from a variety of backgrounds. I take great pride in my ability to inspire and motivate my students to achieve their goals. My dedication to teaching has been recognized by triOS College, where I was nominated for this year Excellence in Teaching Award held by Career Colleges Ontario.

In my personal life, I am a husband and father of teenaged daughter. I live in West Lorne and have been involved in renovation project of our property the town core, which is aimed at improving the infrastructure and livability of our community. I am passionate about contributing to the betterment of my community and am always looking for new ways to get involved.

Overall, my diverse background and experiences have given me a unique perspective that I believe will be invaluable in any setting. I am excited about the opportunity to continue to make a positive impact in my community.
