To the West Elgin Council,

My name is Trevor Lee. My family and I moved to West Elgin in June of 2022 and reside in Rodney. We love the community and that is why I have tried my hand at running for Mayor, Ward 1 and Ward 3 councilor positions in the past. And with the people of Ward 3 once again without a councilor standing for them, I thought it best to try again. With that being said, I feel that the one way to be able to give back and help with the growth and future of this municipality is to get more involved.

With almost 30 years' experience in Management, Operations, and Billing in the transportation field, I feel that I can contribute to the Ward 3 Councilor position with confidence and help lead our team of dedicated councilors to making sure our Municipality continues to grow, not just in size or with new businesses, but to grow more closely as a community. We are stronger together than apart.

I feel it is very important to be able to be a voice for the people of this great municipality. With the world changing fast, it's key to having a pulse in the economic and political landscapes that shape our lives, if we agree with them or not. I have been watching and partaking in politics since the 2019 and 2025 Federal election, where I ran in Hamilton Mountain and Chatham-Kent - Leamington ridings. Although I didn't win, it did give me a better understanding of how the processes work, and how it is so important for the public to get involved in their local governments. Either by taking part in School Board meetings, Municipal meetings, or running for a council or trustee seats. So, I thought what better way to get involved in our community than by applying for the councilor position for Ward 3.

Thank you for accepting my application and letter, and I hope you consider me for councilor of Ward 3 in the West Elgin Municipality. I look forward to hearing back from you, and hopefully working with you all soon.

Sincerely,

Trevor Lee
