Message from the Detachment Commander

I am pleased to present the Elgin County Detachment – 2024 OPP Detachment Board Annual Report. This report includes crime, traffic enforcement and community well-being data and highlights initiatives and successes from the past year. 2024 represents the midway point of the Elgin County Detachment 2023-2025 Action Plan and this report provides updates on our progress in meeting our Action Plan commitments.

I am proud of the work undertaken by our detachment. In 2024, we achieved many successes which include:

- Partnering with community-based organizations, including Victim Services, to better support victims by connecting them with local resources, which resulted in significant increases in referrals.
- Improvements to our partnerships with community mental health providers, municipal policing agencies and community stakeholders through the creation of the Community Safety and Well-being Integration Table.
- We maintained our commitment to traffic safety in alignment with the Provincial Traffic Safety Strategy by prioritizing commercial motor vehicle inspections, RIDE initiatives, impaired driving offences and distracted driving violations. This resulted in the following:
 - o Decreases in CMV related fatal collisions & CMV related personal injury collisions
 - o Reductions in distracted driving related collisions
 - o Increase in RIDE initiatives
 - o Increase in Impaired Driving related charges through targeted and specific enforcement
- We partnered with community-based organizations to develop/implement co-response models that enhance our ability to respond to mental health-related calls through the submission and anticipated successful receipt of new grant funding.

We continued to leverage technology, including In-Car Cameras, ALPR, etc. to support the collection of evidence, increase transparency and enhance public and officer safety. We eagerly await the implementation of body worn cameras that will add to the technology above.

In 2025, we will be working with the Elgin OPP Detachment Board to form the 2026-2029 Elgin County Detachment Action Plan. This work will include engaging with community members to ensure the needs of the communities we serve will be reflected in the commitments we make. Development of the 2026-2029 Elgin County Detachment Action Plan will coincide with the creation of the 2026-2029 OPP Strategic Plan to ensure organizational alignment and support.

The Elgin County Detachment – 2024 OPP Detachment Board Annual Report begins to bridge the gap between *Police Services Act* (PSA) and *Community Safety and Policing Act* (CSPA) reporting requirements. In collaboration with relevant OPP program areas, working groups and the Elgin OPP Detachment Board, this report will continue to develop in the years to come to include content from the OPP Detachment Board Chair(s) and additional data and updates from the OPP.

From detachment administrative staff to frontline uniform members to specialty units to supervisors, our members continue to serve with pride, professionalism and honour. As we anticipate future challenges and opportunities for policing and community safety, we remain dedicated to our mission of serving our communities by protecting citizens, upholding the law and preserving public safety.

A/Inspector Tyler HOLMES
Interim Detachment Commander
ELGIN COUNTY

Policing Hours

The OPP has developed a Service Delivery Model (SDM) in response to several reviews and audit recommendations. The SDM is designed to:

- Promote officer wellness through balanced workloads
- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the Community Safety and Policing Act (CSPA).

To implement the SDM, the OPP has submitted a seven-year staffing strategy to address required increases in detachment personnel. This model supports the OPP’s ability to:

- Respond rapidly to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Address municipal concerns about reduced police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (figure 1). These targets reflect how time should ideally be distributed by the end of the seven-year strategy.

The targets are based on a provincial average and variations are expected between detachments due to differences in geography, operational structure, recruitment and other absences.

In the short term, detachments may face challenges in achieving these targets. Continued improvements in scheduling tools, data integrity, and strategic deployment will support progress toward these goals.

REPORT AN INCIDENT ONLINE

You have the option to report select occurrences to police from the convenience of a computer.

Visit www.opp.ca/reporting to use the Citizen Self Reporting system. Specific incidents can be reported online without attending a detachment or waiting for an officer.

You can use this system to report:

- Theft Under \$5,000
- Mischief / Damage to Property Under \$5,000
- Mischief / Damage to Vehicle Under \$5,000
- Theft from Vehicle Under \$5,000
- Lost / Missing Property Under \$5,000 including a licence plate(s) or validation sticker(s)
- Theft of any type of gasoline from a gas station

- Theft from Vehicle Under \$5,000

- Driving Complaints

Do not use this system if this is an emergency! If it is, call 9-1-1.

9-1-1 is for police, fire or medical emergencies only.

Accidental, hang-up or abuse of 9-1-1 calls tie up emergency lines, communicators and officers which could result in the slower response to a real emergency, risking the safety of people who need urgent help.

#KnowWhenToCall

If you've dialed 9-1-1 in error, stay on the line. Your call will be connected to police. Answer all questions asked by the communicator. This eliminates a lengthy follow up process that may lead to officers attending your location to ensure your safety.
