

Blue Box Transition Complementary Document: Map and Geographic Groupings

(This document is a draft – for consultation purposes only.)

The Ministry of the Environment, Conservation and Parks has proposed a producer responsibility regulation for the Blue Box Program.

The proposed regulation under the Resource Recovery and Circular Economy Act, 2016 would make producers responsible for the Blue Box Program, including meeting regulated outcomes for providing collection services to local communities, managing Blue Box materials, and achieving diversion targets to improve diversion, address plastic waste, and recover resources for use in the economy.

The draft regulation is currently posted for a 45-day consultation period on the province's Environmental and Regulatory Registries (<https://ero.ontario.ca/notice/019-2579>).

The Resource Productivity and Recovery Authority (RPRA) Datacall indicates that municipalities, unorganized territories and First Nations communities ran 249 local blue box programs in Ontario in 2018 under the Waste Diversion Transition Act, 2016.

The proposed regulation would transition existing blue box services to producer responsibility in three groups between 2023 and 2025 according to a Blue Box Transition Schedule referenced in the regulation.

The Blue Box Transition Schedule has been posted for consultation on the Environmental and Regulatory Registries (<https://ero.ontario.ca/notice/019-2579>).

This document is not the proposed Blue Box Transition Schedule.

This document is a complementary document developed to assist stakeholders in providing comments on the schedule by providing a map and listing of geographic groupings contained in each year of the proposed schedule.

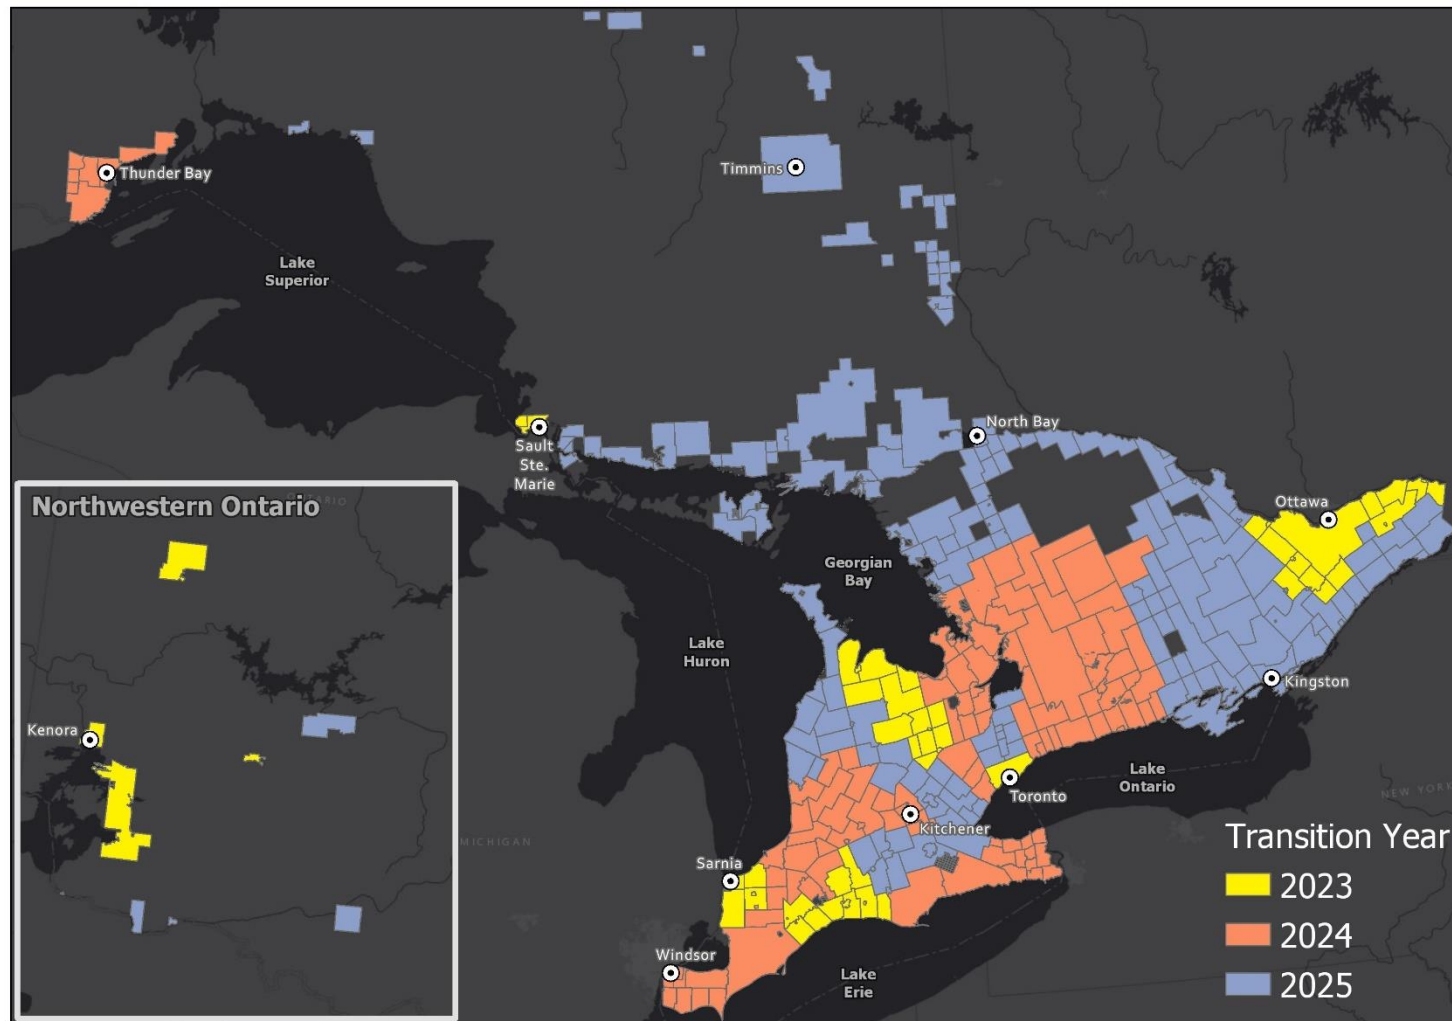

The Ministry will consult on the proposed transition groupings as it works to finalize the regulation, including the best way to determine the specific calendar date for each community's transition.

This will include engagement with First Nation communities to learn more about Blue Box Programs in their communities and assess their preferred dates for transition.

The Blue Box Transition Schedule will be updated when the regulation is finalized to include First Nation communities and identify a calendar date for the transition.
