Dear West Elgin Municipal Council,

I wanted to open up a conversation about running summer camp again at the Rodney Recreation Centre from July 5th, 2021 to August 27th, 2021. We would need Monday to Friday, 6:45am to 6:00pm. The following are 3 possible scenarios.

Scenario One: Run the same way we did in 2018 and 2019. Using both the large meeting room with the kitchen and the main area. The large meeting room was licensed for 26 kindergarten children and the gymnasium/main area was licensed for 30 school age children 6-12 years.

Scenario Two: Run a camp for 26 children kindergarten to 12 years using only the large meeting room and the kitchen.

Scenario Three: We also have the possibility to apply for space at the Aldborough Public School. One of the downsides to using the school is the children would not have access to the municipal pool. Option three is not our preference.

Factors that would affect these scenarios are the number of children that enroll once we advertise the program, restrictions from the Ministry of Health, the current Ministry of Education Operational Guidance During COVID-19 Outbreak and the availability of space.

We were not able to run a summer camp last year due to the covid restrictions for the recreation centre and it was too late to apply for space at the Aldborough School.

Warm regards,

Jessica Gates,

Program Supervisor
