Dear Prime Minister Trudeau:

This is to advise that City Council, at a meeting held on Monday June 28, 2021, passed the following resolution with respect to the rising cost of building materials:

“WHEREAS the prices for construction materials have seen dramatic increases during the pandemic; and,

WHEREAS reports by Statistics Canada noted that the price of lumber increased by 68 percent between March 2020 and March 2021, while fabricated metal products and construction material rose by 9 percent; and,

WHEREAS the Province of Ontario has seen an accelerated overall increase in demands for construction; and,

WHEREAS the Province of Ontario has deemed residential construction as essential activity during province-wide emergency declarations and stay-at-home orders; and,

WHEREAS Kitchener City Council considers it a matter of public interest as the increase in rates and demand could result in unsustainable costs on the local construction industry;

THEREFORE BE IT RESOLVED the City of Kitchener advocate to the Federal and Provincial Governments to review actions that could be taken to help mitigate or offset the impacts related to the rising cost of building materials; and;

THEREFORE BE IT FINALLY RESOLVED that a copy of this resolution be forwarded to the Right Honourable Justin Trudeau; Honourable Doug Ford,

Premier Ontario; Honourable Peter Bethlenfalvy, Minister of Finance; Honourable Hon. Victor Fedeli, Minister of Economic Development, Steve Clark, Minister of Municipal Affairs; Job Creation and Trade; local MP's and MPP's, to the Federation of Canadian Municipalities, Association of Municipalities of Ontario, and all other municipalities in Ontario."

Yours truly,
