To the municipality of West Elgin

My name is Myles Rawluk a resident of West Lorne for 30 years and volunteer firefighter for 5 1/2 years. I have been doing the public fireworks display for West Lorne and Port Glasgow for 8 years..

The reason for this letter is that on April 27/2022 my wife passed away from cancer. For how long she would like me to do a fireworks display "The celebration of life".

I have my pyro licence and insurance

The location is 116 Angelo Dr. West Lorne an open field behind my house off of Marsh I got the owners permission.

There will be 2 dates July 2/2022 + Aug 20/2022

Any questions please call 519-859-5922.

Respectfully

Myles Rawluk
